Dear Students and Friends of Joliet Catholic High,

Thank you for the opportunity to greet you on this beautiful occasion and reminisce about the school of fifty years ago.

It would be nice to write a rosy picture of the Carmelites' coming to Joliet but honesty dictates otherwise. They came to Joliet at the very depth of the Great Depression. While the whole country was in economic chaos, Joliet was generally regarded as one of the hardest hit cities of the nation. The school was bankrupt and, without the coming of the Carmelites, would undoubtedly cease to operate. In the first year of Carmelite operation, the total income from tuition was less than ten thousand dollars, while the interest, alone, to be paid on the school debt was fifteen thousand dollars! However the enthusiasm of the people of Joliet for Catholic education, inspired in the school a vigorous struggle for survival. Though parents and students did their best to give support, the money just wasn't there. Generous help from Carmelites working in other parts of the country made up the deficits. Finally, in the 1940s, school income reached the point where it covered school expenses.

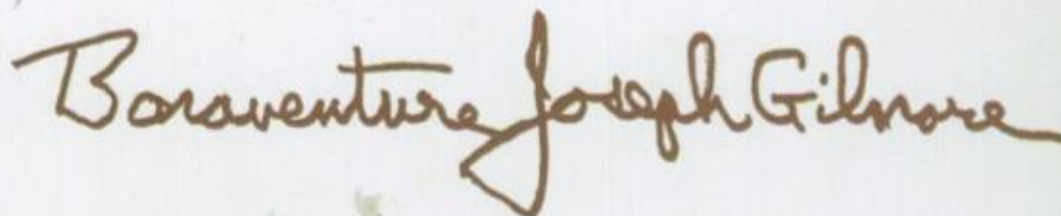

Catholic High had survived!

In spite of the financial problems, those were happy years, with parents, students and teachers working together to keep it a good school with high scholastic standards. We even won a national Catholic championship title in basketball!

The struggles of those early years were well rewarded by the great achievements which sprung from them: the growth of the physical plant; the state wide eminence of the school, both scholastically and athletically; the outstanding contributions made by Catholic High alumni to the Joliet community and the high honors they have received; but especially the love and support of the people of Joliet for the school today.

May God bless all Joliet Catholic High people as you start on what, we pray, will be a new half-century of even greater achievement!

Sincerely yours,

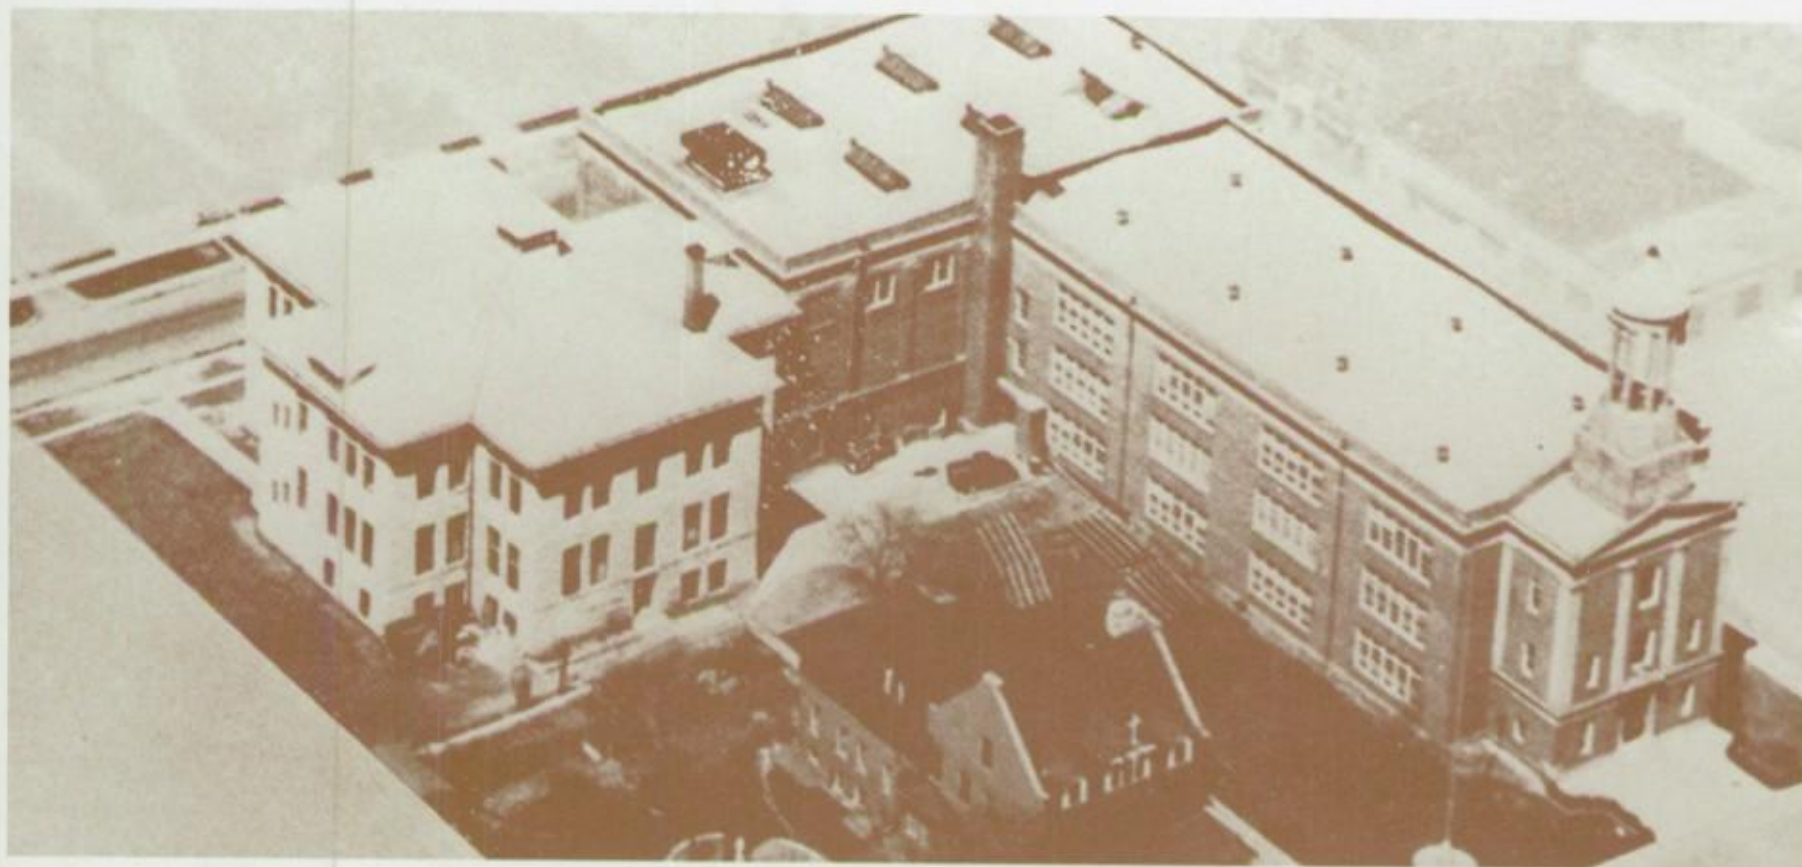

(Bonaventure) Joseph Gilmore, O. Carm.

A salute from JCHS's principal of 1935

Cardinal Mundelein Saves Joliet Catholic

Through the almost superhuman efforts of Cardinal Mundelein, Archbishop of Chicago, Joliet's only Catholic high school for boys has been saved. Threatened with closing because of financial difficulties, De La Salle of Joliet has received a new lease on life. A desperate situation which developed because of the economic difficulties of the past three years has been cleared up by the action of His Eminence. Without his assistance De La Salle would be forced to remain closed this fall.

This decision has saved for Joliet one of its best known and best loved institutions, an institution which has brought fame and glory to the city and which is cherished by non-Catholics as well as Catholics in Joliet.

Because of the inability of the school to meet current expenses as well as interest on indebtedness there has been a steadily mounting deficit. With little prospect of improvement there was nothing left to do but close the school.

The problem faced by Cardinal Mundelein was to close the school or to induce some religious order to take it over and to operate it.

Though it is a most difficult task to persuade religious orders to take over schools, His Eminence was not only able to do this but he was able to secure the service of one of the greatest Orders, The Carmelite Fathers who conduct Mount Carmel High School in Chicago, as a special favor to His Eminence have agreed to take over this work.

Thus, the splendid school with a wealth of tradition and an inspiring history has been preserved for the Catholic boys of Joliet.

The Carmelite priests who will be in charge have many institutions, schools, parishes, and shrines throughout the United States. They will be able to carry the school over the period of its present financial difficulties and they will also be able to maintain its present high scholastic standing.

The authorities of the diocese and the superiors of the Order have agreed that the present solution is the best possible and it is hoped that in time the people of Joliet will concur in this opinion.

Changes at the Hill

Throughout the years at Joliet Catholic there have been many significant changes. Many students do not realize that Catholic High once offered a variety of courses designed to prepare the student for either a professional or vocational career.

Today Catholic High strives to meet the individual needs of its students by offering an Honors Program and a College Prep Program.

Having finished my thirty-ninth year as a Carmelite priest, I still marvel at the wonderful humans in the Order. They are an inspiration to me and a constant encouragement in so many ways. They are almost more brotherly to each other than blood brothers. I am happy to be part of the great community living at JCHS.

Br. Timothy Andres, O. Carm.

My uncle, Fr. Terrence Fitzgerald, O. Carm., influenced my decision to enter the Carmelites. He was a member of the first Carmelite community to teach at JCHS in 1933.

I am proud to be a Carmelite because they have provided me the opportunity to grow as a loving and caring person; they have allowed me to share these feelings with the people with whom I come in contact. As a Carmelite I strive to be the best possible person I can be, to be open to God's will, and to help others in their journey with Jesus.

Being a Carmelite is a challenge and a risk that makes me stretch myself to my limits. My goal is to become a human being. For me that means to constantly strive to go beyond my own expectations. Being a Carmelite gets me in touch with that.

I take pride in being a Carmelite because I am associated with men of prayer and service, men who are zealous for God and enthusiastic in service of His people. I have experienced an enthusiasm and fulfillment that has not diminished. I also enjoy living with the "real people" that the Carmelites are.

My proudest boast is being a Carmelite. In my experience the Carmelites are a band of brothers who care about each other and about serving God's people together. I have a family of brothers who challenge, console, help, enjoy, and support each other. I could not be a priest outside the context of my Carmelite community.

Spotlight on the Carmelites

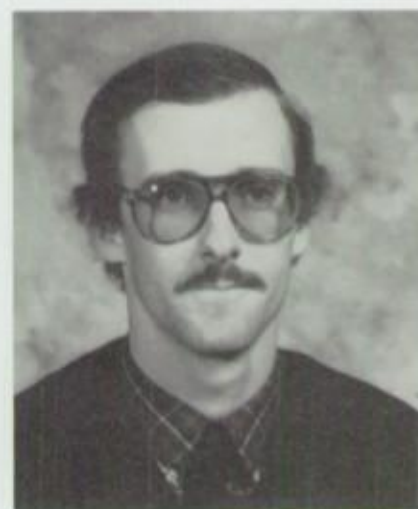

Fr. Bernhard Bauerle, O. Carm.

My main reason for becoming a Carmelite can be traced back to the lifestyle which the Carmelite Order provides in serving the Lord and His church. The Order's tradition is rooted in prayer and ministry, both being supported by community living. All three areas fulfill basic needs in my life.

My decision to become a religious has allowed me to listen and act upon the gospel message of Christ to "Come follow Me." I find in my twenty-six years of ministry a willingness to follow Christ by trying to live a life of love, of compassion, of sharing his gifts. I am happy being both Carmelite and priest.

Patriotism in Homeroom 107

The 1982 varsity season started thirty-one minutes and one second late, but then it opened with a bang. The Hilltoppers came into the season ranked #1 in the state, and they were starting the season off at home against the St. Laurence Vikings. After three quarters, the Vikings held a 7-0 lead. With 0:59 seconds in the game, St. Laurence sealed its own fate by taking an intentional safety, having their punter run out of the end zone. This narrowed the gap to 7-2, and the Hilltoppers were getting the ball. With 0:28 left in the game, quarterback Pat Pesavento fired a 21 yard touchdown pass to Mike Larsen. Mark Kassel ran the two point conversion in, and it was 10-7, Catholic High's favor. Dave McGuire then intercepted a pass to seal the victory. The Hilltoppers then took it on the road to face the dreaded Mt. Carmel Caravan and sensational running back Andre Collins. The Hilltoppers showed no weaknesses in this game. The mighty "D" held Collins to 14 yards on 12 carries. Mt. Carmel could muster only 200 yards in total offense. J. C. Nagel romped for 81 yards and Mark Kassel ran in two touchdowns. Pat Pesavento threw for 163 yards and two touchdowns, the Hilltoppers prevailing, 32-7. It was now time to start the new conference.

Hilltoppers Take Conference Championship

The Hilltoppers joined the East Suburban Catholic Conference this year. The championship battle between the third-ranked Marist Redskins and the top-ranked Hilltoppers was the best high school football game ever seen by Coach Gordon Gillespie. Nagel added 114 yards rushing to Kassel's 107, while Pesavento passed for 178 yards. Kassel scored on a three-yard run with twenty-eight seconds remaining for the 34-30 victory.

The following games also revealed Hilltopper strength. Muehlbauer (114 yards rushing), Pesavento (157 yards passing), and 423 total yards paved the way to an 86-0 Homecoming victory over hapless St. Joe's. Kassel led the way to a 36-8 victory, as he outrushed the Notre Dame team, 199 to 24 yards. That victory was followed by a 30-18 victory over a tough St. Viator team behind the rushing of Kassel (139) and Nagel (87) and the passing of Pesavento (191). Pesavento's passing (153 yards) and a stingy defense held the Crusaders to 169 total yards deposing Holy Cross, 49-0. In the ensuing 65-14 victory over St. Pat's, Chicago, Pesavento passed for 163 yards including two for touchdowns to Larsen. Hillmen were prepared for the final confrontation.

The Hill closed the conference season with its victory over Carmel Mundelein (34-0) which featured Kassel (124 yards rushing) and Pesavento (182 yards passing). The final conference record was 7-0, and the Hillmen brought home the trophy in their first year of competition in the East Suburban Catholic Conference.

Joliet Catholic's varsity football team entered the state tournament with high hopes of bringing home an unprecedented sixth state championship over the course of the last eight years. At the start of the tournament, the Hill was ranked first in the state following the 9-0 regular season, including the East Suburban Catholic Conference title and victories over highly-regarded Mt. Carmel and Marist.

In the preliminary round of the tournament, Joliet Catholic drew Bradley-Bourbonnais in an away contest. The Boilermakers entered the game with a 6-3 record and clearly were no match for the mighty Hillmen. At the end of the first quarter, the Hill led 20-0 and by halftime, JC had built up the final margin of victory of 40-0. The Hillman offense rolled up 434 yards of total offense, including 276 yards on the ground led by Mark Kassel's 97 yards in limited playing time. Pat Pesavento passed for three touchdowns on tosses of 33, 11, and 19 yards; the latter occurring on a pass to his brother, Paul. The defense recorded their third straight shutout on the strength of Greg Legare's two interceptions and a tenacious rush.

The win set up a rematch with second ranked Mt. Carmel; the real state championship game as many called it. The Hillmen scored first as the full house of partisan fans quickly had something to cheer about. Within three minutes the Hill had posted 6-0 lead on a 4 yard pass from Pat Pesavento to Mark Kassel. The Caravan responded quickly with a score of their own and the see-saw battle raged. At halftime, the score was tied 14-14, but it was the Caravan, not the Hillmen who were to come up with the big second half plays. A 55 yard interception return and a 73 yard run from scrimmage by Andre Collins provided the momentum which led to a Mt. Carmel victory. The Hill's valiant comeback ended when Mt. Carmel recovered an onside kick with under a minute to play and the Hill dropped a 28-22 decision.

In the Mt. Carmel game, the Hill outgained the Caravan 247-178 and had 16 first downs to 5 for Mt. Carmel. However, the Hill turned the ball over five times to only one for the Caravan and big plays turned the game in favor of Mt. Carmel. The Mt. Carmel passing game was held to one completion in five attempts for a total of three yards passing. On paper, the Hill outplayed the Caravan, yet the Caravan advanced.

The final varsity record for 1982 of 10 wins and 1 loss represents an outstanding season, and the experience gained by the juniors on the team provides a strong nucleus for next year.

As a result, Mike received scholarship offers to 35 Division I universities. Besides being an excellent athlete, McGann was also a National Merit Commended Student based on his P.S.A.T./N.M.S.Q.T. score. Mike will continue his academic/athletic career at the University of Illinois.

SOPHS FINISH SEASON 8-1

In this past season, the sophomores finished 8 wins and 1 loss. That only loss was to Mt. Carmel, 16-8. The one main attribute of this team was how much they improved week by week. As a result, this team was playing great football at the end of the season and won themselves a ESCC Sophomore Championship.

Looking back on the season, two games stand out as highlights; the Notre Dame game and the St. Viator game. Notre Dame was the defending champs, and we played them up at Niles. Notre Dame came out in a different defense than we had expected. These young men made the adjustment and at the end of the first half, we led 36 to 0 and went on to win, 42-6. That first half was as well played as any team can play. But this team went one step further the very next week against St. Viator. St. Viator was one of the favorites in ESCC. They were undefeated in the conference and had only one loss, to Deerfield. At the end of the first half, the score was tied, 8-8. But then these kids exploded in the second half scoring 3 touchdowns in the first 6 minutes and went on to win, 46-8.

FROSH TAKE CONFERENCE CROWN

The main goal of a freshman football team is to prepare the young high schoolers for the sophomore and varsity teams. This goal was accomplished by this year's freshman team. Coached by Mr. Carl Hunckler and Mr. Bob Stone, the team competed in the rugged East Suburban Catholic Conference. The Hillmites showed good sportsmanship in both victory and defeat. Another strong sophomore football team is in order for next year.

The J.C.H.S. Freshman Football team finished the 1982 football season with a 6-2 overall record and a 6-1 conference record, good enough for a conference title.

Offensively, the Hillmites were led by fullback Steve Pullara and quarterback John Larson. Defensively, opponents were contained through the tackling of Jeff Simonich, Rich Shiek, and Tom Kinzler.

The first ever edition of a varsity-sanctioned soccer program really had nothing to compare itself with, except the unstructured club teams of the past. The Hilltoppers did, however, put together a competitive team that surpassed the winnings of any previous club team.

The team had a mixture of upperclassmen from the club years to go along with a tremendous turnout of freshmen. Two all-conference selections were junior Gary Wolz at fullback and senior Bob Forrester at center-forward.

The team's major accomplishments were to play two hotly contested contests against eventual conference champion, Marist. The first match took place at Marist, and the Hilltoppers lost 4-3 in the closing minutes. The second was even more heartbreaking, as the Hillmen lost again, 4-3, after an exciting over-time and 10-man sudden-death shootout.

Coach Tim Tierney believes the Soccer program is on track and progressing. He welcomes all individuals wishing to participate in this fast and exciting sport. The future looks bright for this new representative to Joliet Catholic.

The 1982 Golf Team had a very exciting season. Led by senior Chris James, the best punk rock golfer in at least the state of Illinois, the Hilltoppers made a fine showing in the conference and district tournament. James and junior Tom Osterberger both qualified for the Sectional Tournament based on their performances at Districts. James then represented the Hill at the state tournament. Other golfers lending important scores during the season were seniors Dan Duffy, Mike Peterson, Paul Bertino, Tom Baron, and junior Tom Brown. The rest of the team performed above expectations when called upon. Services rendered were excellent.

Home meets were held at Inwood Golf Course, Joliet's answer to Butler National. Being in a conference with schools from outside the Joliet area, the golfers had a chance to play some of the best courses in the state of Illinois.

With the returning juniors and members from last year's sophomore team, the team will again lead the area next year. The coach of the golf team was the one and only, Mr. Mark Hansen.

CROSS-COUNTRY 1982

This year's cross-country team was extremely young and talented. The varsity team won few team honors due to the lack of upperclassmen, but several individuals turned in outstanding efforts. Sophomore Doug Shelton led the team in individual awards by qualifying for the state sectional meet as the 4th individual qualifying runner in the Lockport Regional. Doug placed second in the conference frosh-soph meet, leading the team to a 2nd place finish. The sophs were 8-3 in dual meets.

The most exciting meet of the year took place at Niles West, where the sophomore team captured the first place trophy in the forty team Indian Invitational, defeating two other teams by one slim point. The team consisted of Doug Shelton, John Burns, Tom Chirich, Tom McGrath, Jim Burns, Troy Shull, and Kevin Czerak.

Led by juniors Bob Lorek, Bob Gleason, and Mike Perez, and the returning eleven sophomores, next year's varsity has outstanding potential, according to Coach Vonch. This year gave the young runners experience and confidence, two vital ingredients of success in cross-country. The team is eagerly awaiting the opportunity to prove itself in the 1983 season, challenging perennial conference champion Marist and regional powers Lockport, Lincoln-Way, and Hinsdale South for a chance to qualify for the state meet.

The 1982-83 Joliet Catholic varsity basketball team enjoyed another outstanding season, finishing with an 18-9 record and a conference mark of 10-4, good for second place behind St. Joseph's of Westchester. Coached by Mr. Mike Gillespie and Mr. Dan McCarthy, the season proved quite successful. Highlights included the home game against St. Joe's as a packed gym watched Jeff Gromos and Sean Smego slam dunk over the then #1 team in the nation. Although St. Joe's won that game, the Hill handed them their first defeat at home in four years.

Jeff Gromos and Sean Smego were both named to the all-conference first team, while Paul Feehan was named to the second team. Captains for this year's team were Jeff Gromos, Sean Smego, and Nick Hernandez.

In state tournament play, the Hillmen won the Joliet East regional. However, the Hill's season ended in the sectional final at the hands of former Illini-Eight rival, Lockport.

Coach Gillespie summed up his team's season by saying, "Fantastic accomplishments, fantastic season. They did much better than anyone expected, which is a great credit to the kids."

Under the direction of Mr. Mark Hansen, the 1982-83 JCHS sophomore basketball team enjoyed a fine season winning 10 games and losing 14. The mainstays for the sophs included guards Pat Feehan and John Gromos, center Gabe Orenic, and forwards Kevin McShane and Herman Roche. Other main contributors included John Burns, Jim Burns, and Mike Stebbins.

The team worked hard during practice and the hard work paid off as the team enjoyed a successful season. Coach Hansen and the entire team are to be congratulated on a fine effort, as the players prepare for varsity ball next season.

Joliet Catholic High School's freshman basketball teams enjoyed successful years as the young Hillman athletes sharpened their basketball skills, under the direction of Mr. Dan Sharp and Mr. Kevin Las. The teams improved throughout the course of the year, as they worked more closely as a team in preparation for varsity basketball. The team concept was stressed by coaches Sharp and Las, as most players saw equal playing time and an opportunity to improve under game conditions.

WRESTLING PROGRAM REBUILDS

Varsity Wrestling

Five wins, thirteen losses, one tie, and a sixth place finish in the tough East Suburban Catholic Conference. These are the accomplishments of the 1982-83 varsity wrestling team. "This year's squad was better than last year's squad, but injuries and a lack of depth hurt the outcome of the season," said Coach Bob Stone.

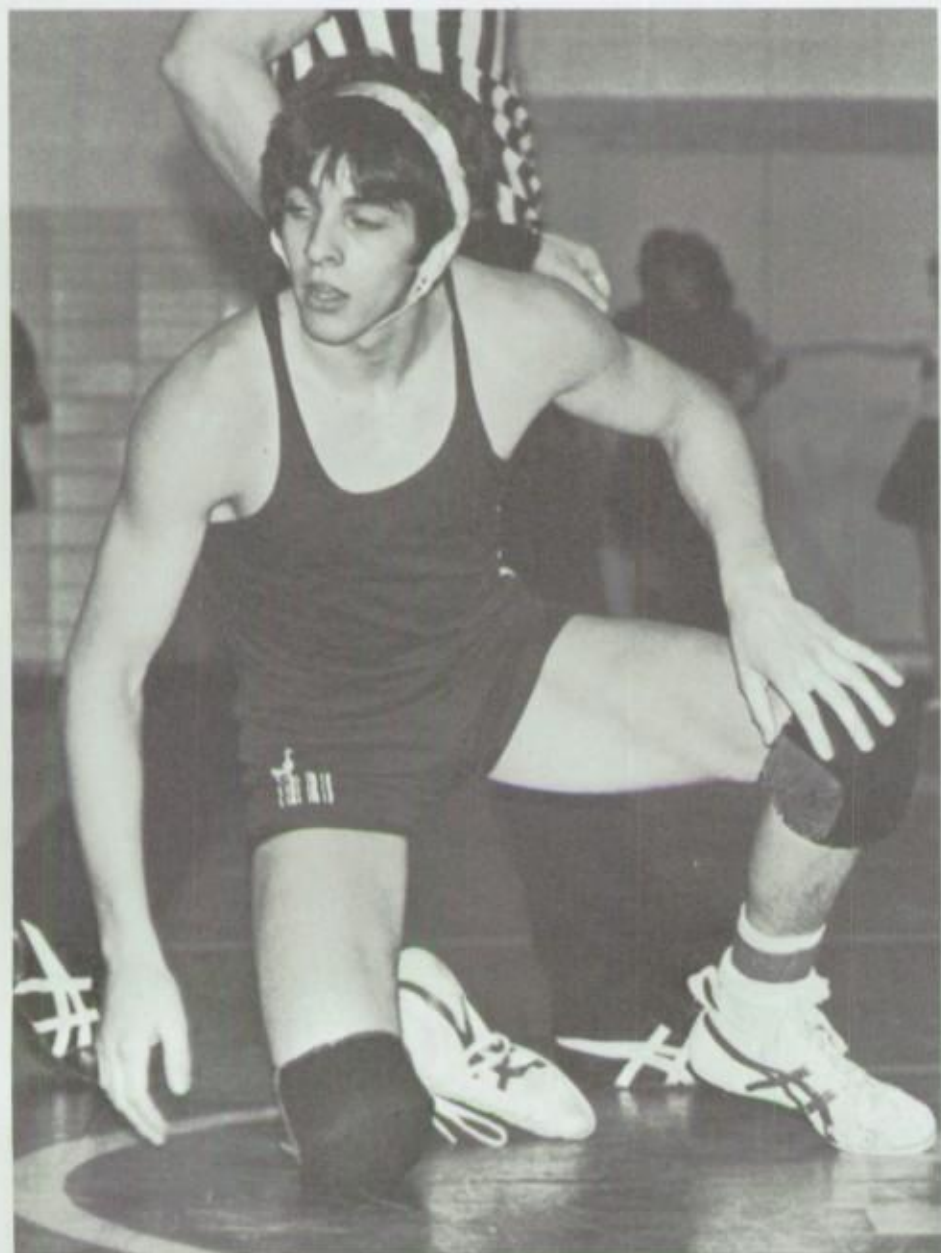

The team was led by junior Chris Simcox, who wrestled at 138 lbs. Although Chris missed the first half of the season, due to an injury, he came back to post a 17-3 record, finished 3rd in the conference, and the regional and sectional tournament championships, qualifying him for state finals. Additional leadership was supplied by senior captains Mike Anguiano and Ed Sheidt. Mike had a banner season, finishing 25-5 at 132 lbs. He took 4th in conference, 2nd in regionals, and 4th in sectionals. Mike also took the 132 lbs. championship and Most Valuable Wrestler trophy at the Chatham-Glenwood Tourney. Ed Sheidt had a fine season at 185 lbs., finishing 17-9, winning the conference championship, and taking 4th in regionals. Junior John Fay also finished 4th in regionals.

The team's major accomplishment was its 3rd place finish in the Chatham-Glenwood Tourney. Its most exciting moment occurred when the Hilltoppers came back from a 29-7 deficit to tie St. Joe's of Westchester, 29-29.

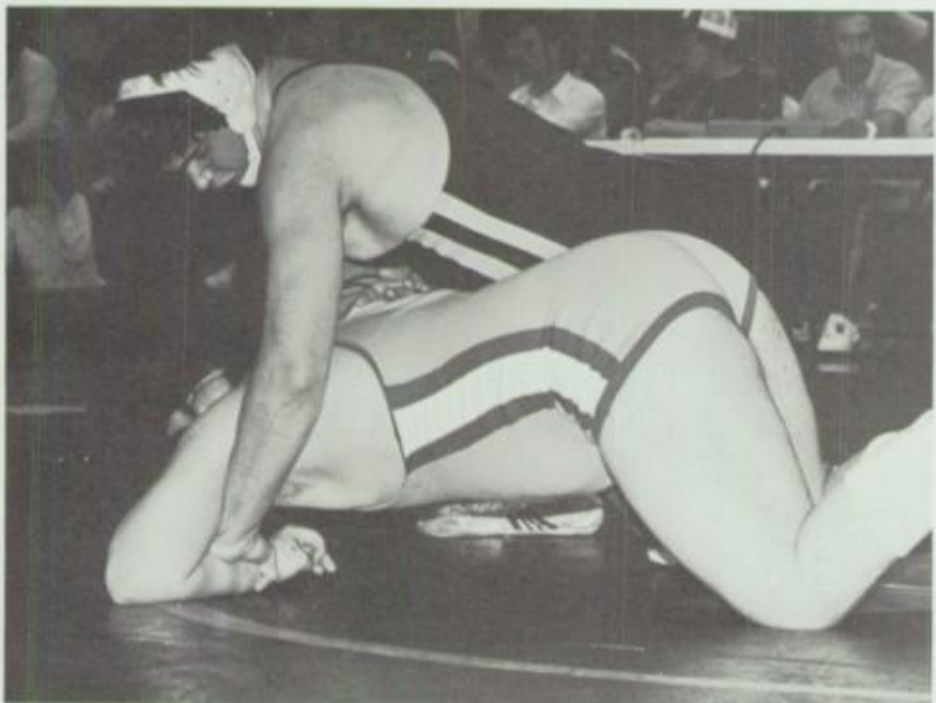

The season was difficult, due to the inability to win regularly, but was improved with outstanding individual performances. The coaching staff feels that with returning upperclassmen and some help from the underclassmen, things can only get better.

Freshman Wrestling

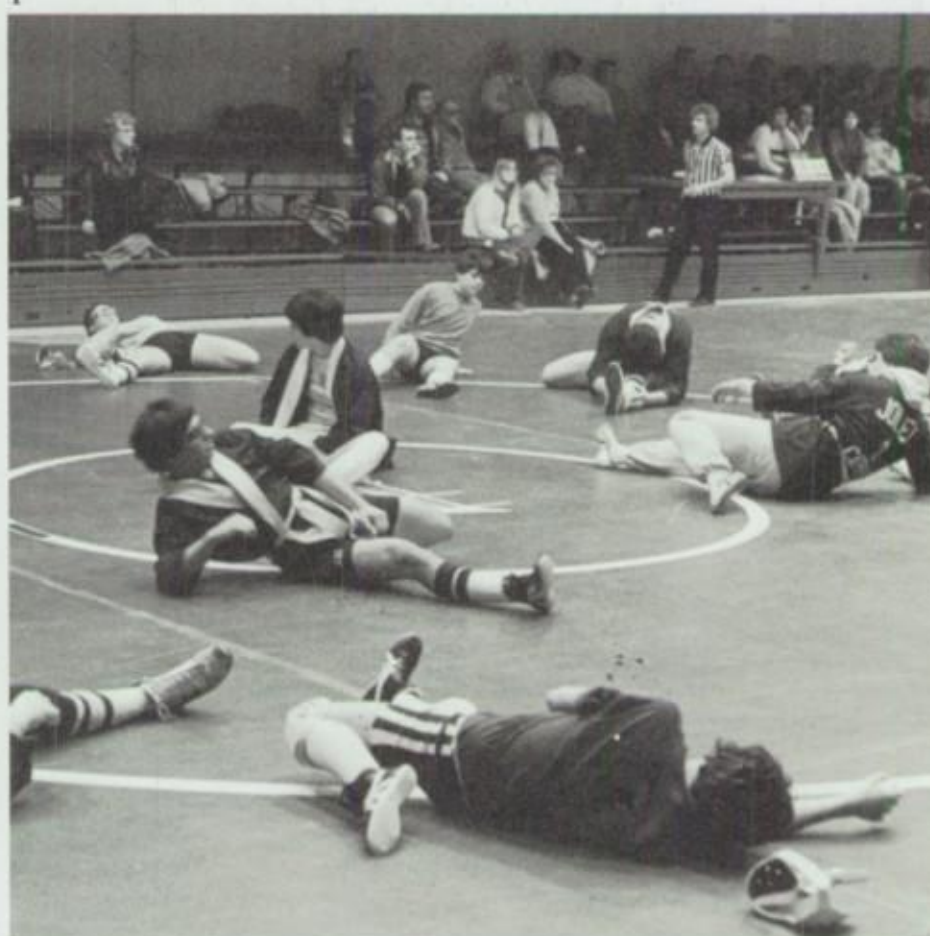

The 1982-83 freshman wrestling team consisted of some excellent wrestlers. Even with several freshmen on upper level teams, the season produced a 4-8 dual meet record, two conference champions (Greg Weigmann — 185 lbs. and Steve Pullara — Hwt.), and a third place finish at the Kaneland tournament. But more importantly, led by Coach Bill Bryan, the team learned, improved, and never quit.

The most exciting moments of the season were the Providence and West games. This was coupled with junior hurler Mike Paperski's two successive no-hitters in late April and early May.

Pat Pesavento's .430 batting average led the team. Other top hitters were Jim Blazeovich at .381, Paperski at .369, Jon Muehlbauer at a .345 clip, and Ron Moir's .322. Papierski had an unbelievable eighteen doubles, three homeruns, and 48 rbi's, all of which led the team. Rick Sterioti contributed with his .320 average and a team leading forty three walks. Mike Larsen swiped thirty three bases to lead the team in steals.

Rick Bernickus led the Hill's moundsmen with ten wins and a sparkling ERA of 1.34. Papierski and Pesavento were each 8-1. Dino Marconi, Jeff Gromos, Frank Vance, and Bob Ramomousky also pitched well when called upon by Coach Jack Schimanski and assistant Dan McCarthy.

Making first team All-Conference were Rick Bernickus, Jim Blazeovich, Mike Papierski, and Rick Sterioti. Honorable mention were Andy Madej, Ron Moir, and Jon Muehlbauer.

The four-year record of the class of 1983's baseball teams was an unbelievable 145-28, a record most assuredly not matched by any other school in this state. With players returning for next year's team, another exciting season is in store at Ingall's Park.

TIE MARIST FOR CONFERENCE CO-CHAMP

Although the 1983 Varsity Baseball team failed to win it's fifth straight Regional Tournament Championship, it was still a very successful season for this year's edition. The Hilltop nine finished with an incredible 36-13 record, second most wins in the state this season. The team tied for the East Suburban Catholic Conference crown with an 11-3 record.

Coming into the season, the Hilltoppers were everyone's unanimous choice as the team to beat in the state of Illinois. The Hilltoppers were also expected to come close to their records of games played and victories. These marks could have been achieved if twenty early season games had not been cancelled, due to poor weather.

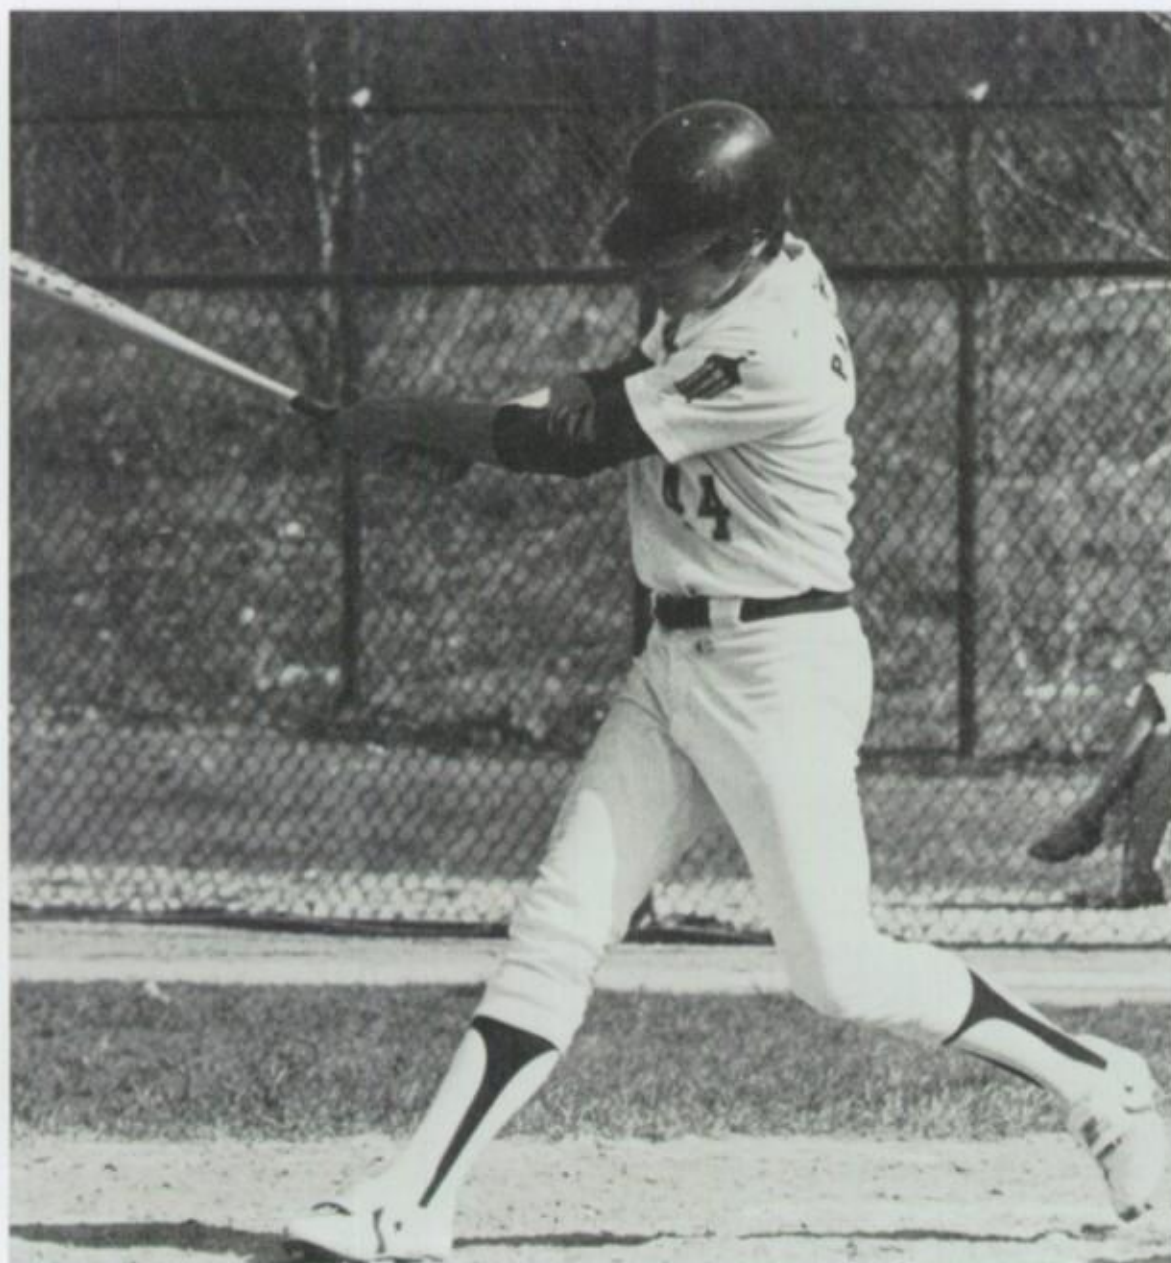

The main goal at the beginning of the season was to win the regionals and advance on to sectional play. In the opening game of the regional tournament, Rick Bernickus throttled Bolingbrook as the Hill won, 9-1. Next up was Providence. During the regular season, the Hilltoppers and the Celtics split four games. Trailing

6-0, the Hill stormed back for an 11-10 victory sending them into the championship game against Joliet West. The Tigers ended the Hilltoppers quest for another downstate, dealing the Hill a tough 2-1 defeat.

On Sunday, June 12, the East Suburban Catholic Conference All-Stars faced an All-Star team from the Chicago Catholic League in a doubleheader. Representing the Hilltoppers were Rick Bernickus, Dino Marconi, Jim Blazevic, Ron Moir, Bill Gwodz, and Al Petro. Rich Sterioti was chosen to participate, but was unable to, due to an involvement in another local league contest. Jim Blazevic was nominated to play in the Illinois High School Coaches Association All-Star game in Peoria.

1983 JCHS SOPHOMORE BASEBALL TEAM — Jim Baranoski, Kevin Czerak, Andy Frieders, John Gromos, Scott Habiger, Jim Harris, Mark Jascewsky, Len Larsen, John Lauterbach, Phil Marchio, Jeff Meyer, Mike Reeder, Herman Roche, Mark Scheuber, Mike Sepich, Kevin Simson, Eric Smith, Mike Stebbins, Tony Talerico, Jim Tyrell, Dave Van Meerten, Dave Wyss, Rob Lello — Stats, Steve McGrath — Manager, John Ancel — Assistant Coach, Mr. Michael Slovick — Head Coach.

The 1983 Joliet Catholic sophomore baseball team dominated area play. Under the brilliant leadership of coach Mike Slovick and his outstanding, able-bodied assistant John Ancel, the Hillmites left the season with a 34-4-1 record, which was the best in the area. Coupled with their 13-1 conference record, they easily beat Marist and the rest of the teams in the new ESCC for their fifth straight conference championship.

Many outstanding team and individual accomplishments that occurred this past season include the following: Four players hitting over .400, with Dave Van Meerten leading the "aluminum assassins" with a whopping .485, an overall team average of .370, and a sophomore record 49 stolen bases amassed by Dave Van Meerten.

On the mound, the Hillmites also dominated with Jim Harris' 8 wins, Mike Reeder's 7, and Mike Stebbins' and Mark Scheuber's 5. The sophomore "seed hurlers" were backed up by Jeff Meyer, Eric Smith, and Jim Tyrell who provided *stupendous* relief help.

Frosh Experience Growing Pains

The 1983 freshman baseball team had a won-loss record of 6-7 in the ESCC and an overall record of 15-10. Coached by Mr. Carl Hunckler, the team improved throughout the course of the year and won its last five games to finish with a winning record.

As a team, the freshmen batted .307 with Dan Schreiner leading the team with a .380 batting average and 17 RBI's. Darin Cantu added 17 RBI's with a .373 average and led the team with 29 runs scored. Brad Marconi topped the pitching staff in victories with 4, innings pitched with 36, and earned run average (3.89). The team ERA was 4.56 as the staff walked 100 men in only 165 innings.

On the year 19 freshmen saw action and gained experience and knowledge about the game, as they work to carry on the winning tradition of Hillman baseball.

The 1983 JCHS varsity track team experience a massive overhaul this season with a new coaching staff headed by Mr. Joe Vonch. Assisting coach Vonch were Mr. Jim Mattes, Br. Pat Coyne, Br. Tim Andres, and Mr. Mark Hansen.

The varsity track team had several individual stars although the team as a whole did not fare too well in meets. Kurt Schneider finished 5th in the state in the discus after winning many meets and senior shotputter John Kurator also won several meets. Other stellar performances were turned in by sprinter Chad Leiser, pole vaulter Gary Wolz, and a host of distance runners.

With the success of the frosh-soph team, the direction for the track team is up. Look for a very competitive track team to make headlines next year, despite the graduation of Schneider, Kurator, and Leiser.

Senior Kurt Schneider capped off a successful track career at JCHS by placing 5th in the Illinois High School Association Track Championships at Charleston, Illinois. Kurt placed 9th in the state as a junior and although he had hoped to win the state championship, nonetheless, his accomplishment is outstanding. During Kurt's career he won many invitational and dual meets in the discus event and certainly is among the top track athletes in the history of the school. Many thousands of hours spent in practice and weight training paid dividends for a fine finish in the state competition for Kurt. He will continue his career in college.

ORGANIZATIONS

MATHLETES

The Mathletes, under the leadership of 'coach' Frank Golf had another successful year. Separated from the SFA mathletes for the first time, the JCHS mathletes won many individual first and second place ribbons, but the school as a whole failed to place in any of the competitions.

PHOTOGRAPHY CLUB

The 1982-83 Photography Club

The purpose of the Photography club is to provide the materials and opportunity for interested members to learn and expand their photographic skills. The club serves an important function to the school by taking pictures for both school publications, the 'Victory Lite' and 'Hilltopper'.

The club has many activities including contests, displays, and field trips. This year's moderator is Ms. Pat Yeager and members include Dave Ragusa, Fred Kish, Mark Sowa, Steve Townsend, Erich Rutten, Jim Gregory, Jeff Kozlawski, Ed Hartsell, Dom Egizio, Don Leaman, Chris Mateski, Allen Hedin, Scott Brazzale, Jim Burns, and Bob Drish.

SCIENCE CLUB

The 1982-83 Science Club officers

The Science Club served the school in various ways this year. First, having fund raisers to raise money for the club and department, such as the Christmas Fund, Valentine's Day Fund, and the Shamrock Day Fund.

In addition, the Science Club took on the task of developing a tutoring program for math and science. Although the project was a huge undertaking, it finally succeeded by the second semester.

Officers for the club were as follows: Jerry Keir — President, Rolland Ambrose — Vice President, Dave McKeehan — Treasurer, Bernie Shaf — Secretary, and Mr. Richard Zelasko — Moderator.

MODEL RAILROAD CLUB

The Model Railroad Club was formed in the 1981-1982 school year. There are no requirements for joining and members need not have equipment to run.

The club is presently sharing a layout with the local 4-H club, which has an 8' by 24' HO layout. Next year they will operate an HO and N scale layout.

The members attended various model railroad fairs, go rail fanning, and are planning a trip to the Illinois Railway Museum.

The purpose of the club is to promote model railroading and show all of the educational fields related to the hobby including: engineering, earth science, geology, geography, and history. The club's moderator is Mr. Tonelli.

Youth and Government

The Youth and Government program is run by the YMCA through the local high schools throughout the state of Illinois. High School sophomores, juniors, and seniors have the opportunity to participate in a model state government through this program.

Student participants spend the entire year preparing themselves to part of the state government in roles as legislators, lobbyists, pages, attorneys, clerk-bailiffs, and newspaper and TV press corp members. The students attend two Saturday sessions in training for a three-day program held in Springfield in March. During the weekend, each student participates in his/her chosen role. The legislators meet in the chambers of the Senate and House of Representatives. The attorneys act as Supreme Court Justices and also appeal their own cases.

The 1982-1983 members were seniors Bill Brennan, Cass Catalani, Tony D'Amico, Bob Dow, Dan Duffy, Jeff Foschi, Jim Javorcic, Mike Peterson, Steve Walsh. Juniors involved were: Tom Brown, John Heyl, Dick Hobbs, Joe Hunt, Tom Leinenweber, Tom Osterberger, Dave Spesia, and Vic Stackelski. The advisors were Ms. Kathy Kniery, Mr. Tim Tierney, and Mr. Mike Lamb.

The French club seeks to promote the appreciation of French life and culture. It is open to all students of French after their freshman year. Among the activities the club enjoyed in this year were a Mardi Gras evening complete with the cooking of 'crepes' for good luck, a dinner in a French restaurant, a trip to Chicago to see the Christmas lights, and the annual trip to France over the Easter holidays. Several club members made posters and decorated the French classroom with streamers and balloons for Foreign language week. Mrs. Kosmerl, the French teacher, is moderator of the club.

Pom-Pom Girls

The 1982-83 Joliet Catholic-SFA Pom Pon squad

The 1982-83 version of the JCHS Pom Pon squad was very successful. In addition to attending summer camp, the squad placed third in the Grand Nationals Competition and second in the World Competition which was held in Chicago.

Other members of the squad in addition to captains Anita Krause and Heidi Schoener were: Jana Patch, Sue Lombardi, Anna Maria D'Amico, Stephanie Shepard, Margie McCarthy, Denise Maier, Sue Schoener, Jane Matthews, Melody Watts, Paula Peredetto, Maria Hondros, Lori Serdar, Patty Hamrick, Kathy Murray, Suellen Wilson, and Anita Janas. Much thanks to Ms. Lynn Larsen (moderator) for the great entertainment.

SPEECH TEAM

The Joliet Catholic High School Speech Team is open to all levels of Hillman interested in improving their abilities in the field of communication. Students may enter one or two events which include dramatic and humorous duet acting, original oratory and original comedy, radio and spontaneous speaking, verse and prose, humorous and dramatic interpretation, and declamation. This year's team continued to grow in confidence and experience, as they competed in six individual event tournaments. They also participated in the annual IHSA Regional Speech Tournament.

JCHS CHEERLEADERS

Every year the Joliet Catholic cheerleaders tryout in the spring. This enables them to begin practicing every day to get ready for competition at camp. In June of this year, the squad went to camp for five days. The squad earned the highest ribbon every day at camp, along with the spirit stick, which expresses their pep and devotion for cheering. Along with that honor, a member of the squad, Susan Karner, was named All American Cheerleader. For the past two years, the squad has been moderated by Connie Gillespie. The cheerleaders cheer for both football and basketball, practicing at least once a week. They are also involved in other school activities such as the JCHS picnic and many pep rallies. The cheerleaders feel a part of the team sharing both victories and losses.

STUDENTS OF THE MONTH

Guidelines

1. *Academic:* Not necessarily the "A" student, but must be a student who applies himself.
2. *Extracurricular Activities:* Involved in worthwhile or charitable activities within or outside JCHS — something he has freely chosen to better himself or others. His Christian Involvement assignment does not count.
3. *Social:* Must relate well with his peers and adult.
4. *School:* Must be involved in all aspects of student life here at Joliet Catholic: studies, sports, student activities, etc.

A student *must* qualify in *three* of the above areas in order to be a nominee. Please do not vote for a student merely because he excels in one particular class or sport.

Band

For the third consecutive year, the JCHS/SFA band has grown in enrollment. The freshman class members comprised forty-nine percent of the band. With another large class expected next year, the future looks quite promising.

The band was directed by Mrs. Kathy Murray with Bro. Tim and Fr. Ray as moderators. The band performed three concerts during the year, marching in a parade in Addison, and performed in the second annual State of the Arts competition receiving a trophy. Led by drum majors Nina Krause, Bob Drish, and Lytti Clark and band president Antonio D'Amico, the band performed at all of the home football and basketball games. They also performed at Comiskey Park, dazzling the crowd with their unique style.

Various fundraisers included the carwash, the ever-popular dunk tank at the JCHS picnic, and the Easter sausage sale. The money enabled the band to take trips to Cedar Point Amusement Park in Ohio and Boblo Island in Canada.

JCHS-SFA CONCERT CHOIR

The Joliet Catholic-Saint Francis Academy Concert Choir is the main vocal choir representing the two schools. The choir consists of 55 students, approximately 35 girls and 20 guys. They must spend 5 days a week from 8:00 to 8:50 at SFA practicing.

The Choir participated in several major concerts this year, including: Evensong in October, Lessons and Carols in December, student Masses, the Christmas Concert, a Choral Concert at St. Mary's in Plainfield, Jubilee Mass, nursing/retirement home programs, and graduations from both schools.

The Concert Choir has greatly improved the last two years with an increase in membership of almost 50 percent from 1979-80. The Choir also sings in Latin and French, as well as English. This year the Choir will record a formal tape (cassette) which will be processed by a professional recording company. These cassettes will be available for sale in the middle of May, 1983. The Choir's moderator is Mr. Downey.

CARMELITE JUBILEE MASS

Celebration of the Mass

The culmination of the year-long celebration of the Golden Jubilee of the Carmelites at Joliet Catholic High School was held at the Cathedral of St. Raymond on Sunday, May 1, at 2 p.m., with the Jubilee Eucharist of Thanksgiving.

The Most Rev. Joseph Imesch, D.D., bishop of the Joliet Diocese, was the principle celebrant. The Very Rev. John Malley, O. Carm., provincial superior of the Canadian-American Province, was the homilist.

Principle concelebrants were the Very Rev. Quentin Duncan, O. Carm., commissary provincial of the Midwest Carmelites; the Rev. Niles Gillen, O. Carm., superintendent of schools for the Joliet Diocese and former JCHS principal; and the Rev. Robert Colaresi, O. Carm., current JCHS principal.

Bob said the Mass and executive board president Kurt Gould gave a reflection on the past four years at the Hill, after the 1983-84 executive board members were introduced.

Fr. Bob concludes the ceremony.

MOTHER'S DAY MASS

On May 6, 1983, the mothers of Joliet Catholic, along with Bishop Joseph L. Imesch, once again filled the gymnasium for the annual Mother's Day Mass.

The Mass is the yearly celebration of the mother's commitments to their sons.

The highlight of the mass was the homily of Fr. Ivan Cormac Marsh, O. Carm., which showed the parallel between creation and a mother raising a son.

After the Mass, the mothers met in the cafeteria where the 1983-84 Mother's Club officers were installed.

The Annual "Eliat Night" dinner-dance was held on Saturday, April 30, at the Renaissance Center in downtown Joliet at 6:30 p.m. The theme was the "Golden Jubilee at the Hill."

In addition to the Carmelite faculty, Fr. John Malley, provincial, was the guest-of-honor. Joining him were the four original Carmelites at Joliet Catholic: Frs. Arthur Snaman, Gabriel Pausback, Leonard Kinzler, and Joseph Gilmore. Other special guests were Carmelite graduates of JCHS.

Jubilatiou

Mr. and Mrs. Sasso and Mr. and Mrs. Dow, Co-Committee Chairpersons

Jubilatiou '83, Catholic High's largest fundraiser, raised over \$58,000 for the school community. Co-chairpersons for Jubilatiou '83 were Mr. and Mrs. Michael Sasso and Mr. and Mrs. Robert Dow. Over 2,000 workers donated their time, energy, and talent to make Jubilatiou '83 a success.

Father Bob Colaresi, principal, summed up his feelings for the hard working Jubilatiou contributors by saying, "I am very proud of the record and spirit and behavior exhibited by the people who have so generously worked for Jubilatiou. I believe that is one of the strongest Christian witnesses that I have experienced here in Joliet. Each year, for eight years, over two-thousand people, have worked thousands of hours to put on Jubilatiou for the benefit of Catholic secondary education at St. Francis Academy and Joliet Catholic High School."

Attendance at the picnic was very good, and all present seemed to be enjoying themselves.

Kairos

Love is patient and kind; it is not jealous or conceited or proud; love is not ill-mannered or selfish or irritable; love does not keep a record of wrongs; love is not happy with the truth. Love never gives up; and its faith, hope, and patience never fail.

Love is eternal. There are inspired messages, but they are temporary; there are gifts of speaking in strange tongues, but they will cease; there is knowledge, but it will pass. For our gifts of knowledge and of inspired messages are only partial; but when what is perfect comes, then what is partial will disappear.

When I was a child, my speech, feelings and thoughts were all those of a child; now that I am a man, I have no more use for childish ways. What we see now is like a dim image in a mirror; then we will see face-to-face. What I know now is only partial; then it will be complete — as complete as God's knowledge of me.

Meanwhile these three remain: faith, hope, and love; and the greatest of these is love.

TERRY GANNON DAY

Mr. Mike Gillespie leads ceremony.

When Jim Valvano's North Carolina State basketball team began its season, there was a short guard always ready, willing, and able to play at a moment's notice. By season's end, this 6-foot sophomore proved to the coach, fans, and friends back home that it takes more than size to be a winner on the court.

Terry Gannon was playing 7-8 minutes per game early on and was frustrated. "But when my time came, I had to be ready and make the best of it." And that he did! He sank thirty straight free-throws, one short of an NCAA record, and also led the Atlantic Coast Conference in field goal percentage from the three point range at fifty-nine percent.

When asked about the thirty straight free-throws, he said, "Didn't even know about it. I knew I had quite a few in a row, but I didn't know about the record." His response when he found out, "Shucks." But he vowed to "go out and give it another try next year." Coming out of high school, Terry had to make great adjustments. He was now playing against guards 5-8 inches taller than he and 7-foot giants. "The first thing is to realize they're real people. You just try to play your normal game because they have such great ability to blow a game open. Now it's like high school again, except a lot quicker and taller."

In the NCAA tourney, N.C. State played some talented teams. Terry's feeling about this: "There wasn't too much extra pressure. There are great teams in our conference and always a full house, so playing in front of all the people was no different. We were just really enjoying it."

A heavily favored Houston ball club was the opponent in the final game. Coach Jim Valvano, whom Terry described as "enthusiastic and very reachable," spoke often of slowing the game way down to keep the ball away from Houston's run'n'gun offense. But come game time, N.C. State ran right at them. "Coach was talking all along about slowing it down," Terry explained. "But in the locker room before the game, he came in and said he felt we were a better ball club and said to 'take it at 'em.' That gave us a lot of confidence."

Terry's hopeful for the coming year and anticipates a starting role. With the graduation of seniors, this could be his shot and no one can doubt his ability. Terry, thanks for the fun you've given Catholic High and the Joliet area. We are proud!

INTRAMURALS EXPAND!

Total involvement and school spirit, that is what Joliet Catholic High School is all about. This spirit can be witnessed by the number of students involved in our extensive intramural program.

Under the leadership of our dedicated commissioner "Bowie Sheen," Mr. Mike Slovick, the intramural program reached college quality. Due to the expenses and the sheer numbers involved, the coaching staffs of the various teams simply can't keep everyone who tries out. Combine this with the number of athletic supporters in the school, and you can see why the program is so successful.

The program consists of six sports: softball, football, volleyball, basketball, floor hockey, and bowling. This year's turnout saw 142 teams and 1244 players participate in 1711 games. Basketball was the most popular sport, consisting of 48 teams and 354 members. This is 39% of the student body at the Hill. 81% of the senior class participated in intramurals this past year, with 24% competing in at least 4 sports.

During the games themselves competition was rugged and tempers flared, yet friendship flourished and a fun time was had by all. Congratulations to the champions.

Romeo & Juliet

Romeo and Juliet, the JCHS/SFA fall play, was performed at the Bicentennial Park theater on December 3, 4, and 5. The production featured a cast of forty-five actors.

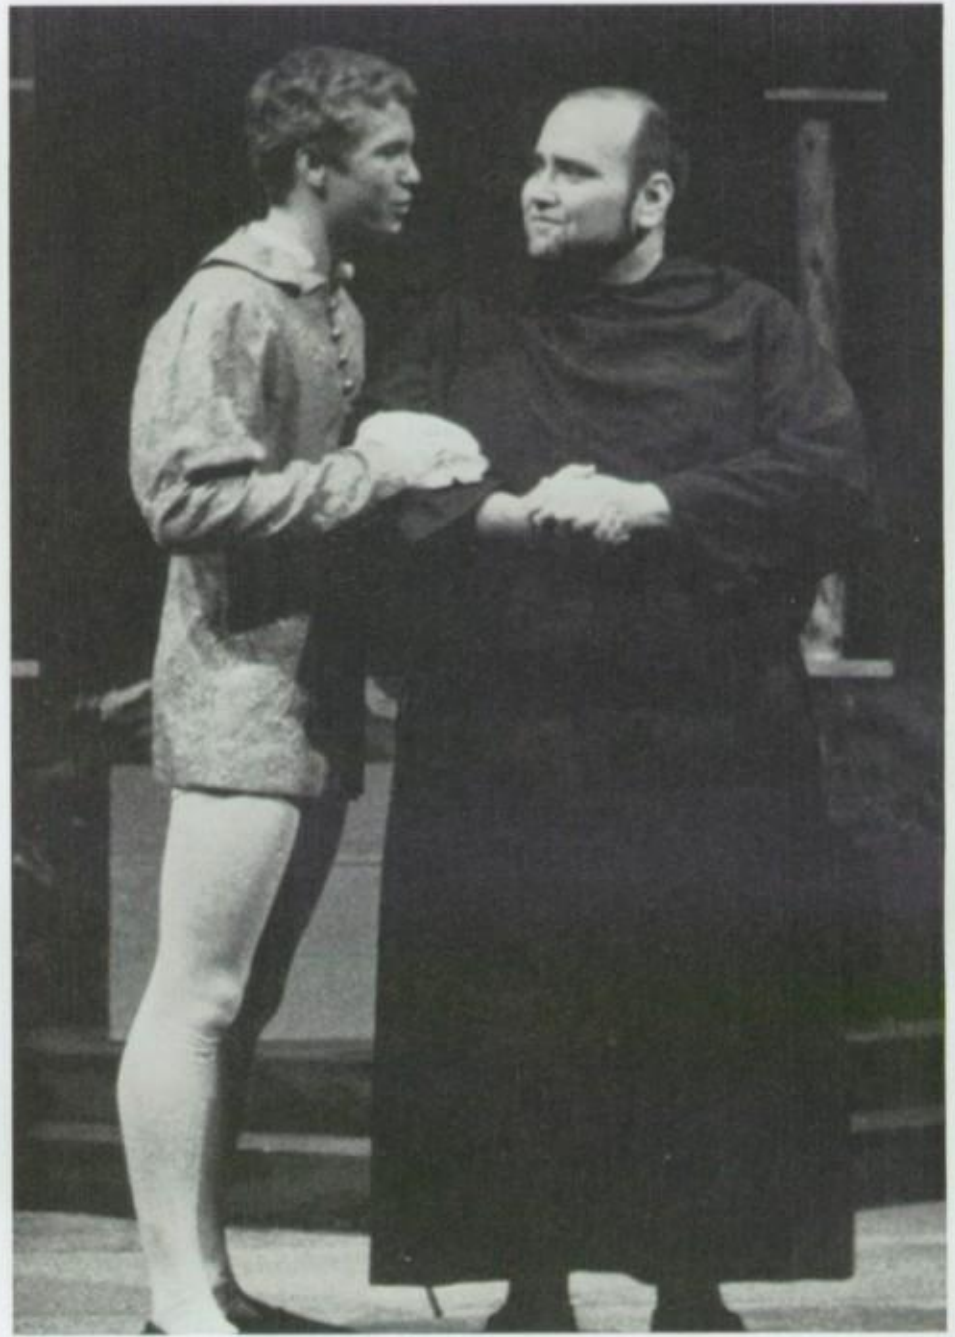

It was the aim of the JCHS/SFA drama group to capture the truth, vitality, and believability of each character and enable play-goers to relate the play to their own feelings and experiences.

The director, Michael McNeal selected as leads: Romeo, Craig McCarter; Mercutio, Dave Morel; Tybalt, Geoff Barr; Juliet, Debbie Lang; the Nurse, Lisa Byrd Smith.

The play was performed at 8:00 p.m., December 3 and 4, and at 2:00 p.m. on December 5, to packed houses every night and received critical acclaim.

BABES IN ARMS

This year's musical, *Babes in Arms*, though doubted by many, was a surprising success. This was all due to the director, Tracy Connors, choreographer, Katie Ward, and musical director, Marc Downey. These people and all the cast members worked hard and sacrificed a lot of their time to put this musical together. Practices began in late February and ran through May up until the show. At the end of February and early March, the cast worked three hours a day, four days a week. By the end of April and early May, practices lasted about six hours a day, every day.

"*Babes in Arms*" is a 1930's Rogers and Hart musical. The scene opens at the Surf and Sand Playhouse where apprentices try to make it big with one of their own productions. This dream is almost overtaken by the owner of the Surf and Sand Playhouse, who is trying to push his play, "The Deep North," over the apprentices' play. During this time many depressing and comical situations arose having to do with the apprentices. But in the end, the apprentices dream became a reality by winning over the public and the owner.

Another wild table at Condessa del Mar

Tim Slatterys date listens intently.

For the upperclassmen of Joliet Catholic and St. Francis, May 13, 1983 will always be a night which will bring fond memories. In excess of 250 couples danced to the music of "On Stage," as the band kicked off the evening with "Celebration." Pictures were taken both before and after dinner by Mr. Joe Feehan. Dinner consisted of everything you could eat before the waitress took it away. Throughout the evening, couples were cooled off by refreshments served at the free coke bar.

The elegant Condessa del Mar was an appropriate setting for the pagentry of the tuxedos and formal dresses. Ushers for the evening were the sophomore class officers, dressed in brown tuxedos. Each couple received two tulip glasses with the theme, Steppin' Out, and event sketched on the glasses. The evening was one of joyful and lasting memories.

Dan Koerner and Doty Prock demonstrate dancing ability.

A senior class of 198 graduates of Joliet Catholic High School received their diplomas in ceremonies at the Cathedral of St. Raymond on Friday, May 27, at 6:00 P.M. This was the 62nd commencement for Joliet Catholic and concluded the celebration of the Golden Jubilee of the Carmelites at the Hill.

The Rev. Robert Colaresi, O. Carm., principal, was the main celebrant of the Baccalaureate Mass. Concelebrants included the Carmelite faculty members: the Revs. Emmet Gleeson, Bernhard Bauerle, John Comerford, Raymond Bonin, Ivan Cormac Marsh, Christopher Pieklo, and Kevin Shanley.

The Very Rev. Quentin Duncan, O. Carm., commissary provincial of the Midwest Carmelites, gave the graduation address. Ordained in 1944, Fr. Quentin was elected in 1981 to direct the Midwest Commissariate of the Canadian-American Carmelite Province.

Robert Dow, Valedictorian, gave the student address at graduation. He is the son of Mr. and Mrs. Robert Dow and is a member of the National Honor Society.

June, 1983

Dear Hillmen and Friends,

This past school year was a beautiful blessing. My overriding feeling was a tremendous pride in being a Carmelite and sharing in the long tradition of Carmelite service here at Joliet Catholic High School. All the moments and events of our Carmelite Jubilee Celebration reinforced that pride. One hundred and ninety-three Carmelites have served almost one thousand years and over seven thousand Hillmen.

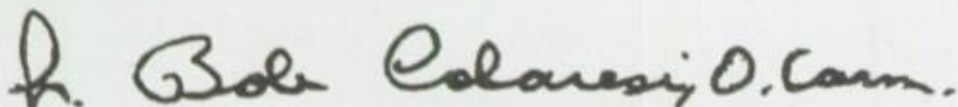

Joliet Catholic began in the Depression, and for almost twenty years it was in a shakey financial situation. It is a tribute to the dedication and service of these men that Joliet Catholic survives and thrives today. They pulled this school through many a dark day, but the light of hope was always alive in their hearts. It was moving to share their satisfaction and pride seeing Joliet Catholic today - a home of scholars and champions, a powerful tradition of pride, spirit and excellence, and brimming with students and involved parents. They knew that the sacrifices were worthwhile.

We are a blessed community. We stand on the shoulders of the giants who preceded us. The Lord has been so good to us, in the attitude and number of our Hillmen, the dedication of our Faculty and the unbelievable loyalty and sacrifices of our Parents and Alumni. We are a community that knows the faithfulness of God.

We are a school community with a great future, because of the power of our present and past. I have come to a deep appreciation of the love and energy that makes Joliet Catholic the special community we are.

Yes, Joliet Catholic survived! Our past has become the challenge of our future. It thrives and vibrates today with life and energy and spirit and dedication because of the people that are Joliet Catholic High School.

Sincerely,

Fr. Robert E. Colaresi, O. Carm.
Principal

In Closing

For the past fifty years, the Carmelite fathers have made their presence known at Joliet Catholic High School. Since August of 1933, the dedication, loyalty, and love of many Carmelites has left its lasting impression on the entire school community. These three qualities dedication, loyalty, and love have brought this school through many good, as well as bad times. The Carmelite fathers of Joliet Catholic have continuously and faithfully striven to provide the best in education for its young men, academically, athletically, and socially.

Joliet Catholic has changed extensively during these past fifty years. I've even noticed many changes during my past four year at the Hill. The curriculum has been expanded extensively. Intramurals have grown in popularity. Our new computer system has revolutionized time-consuming tasks. There are many others, too numerous to mention.

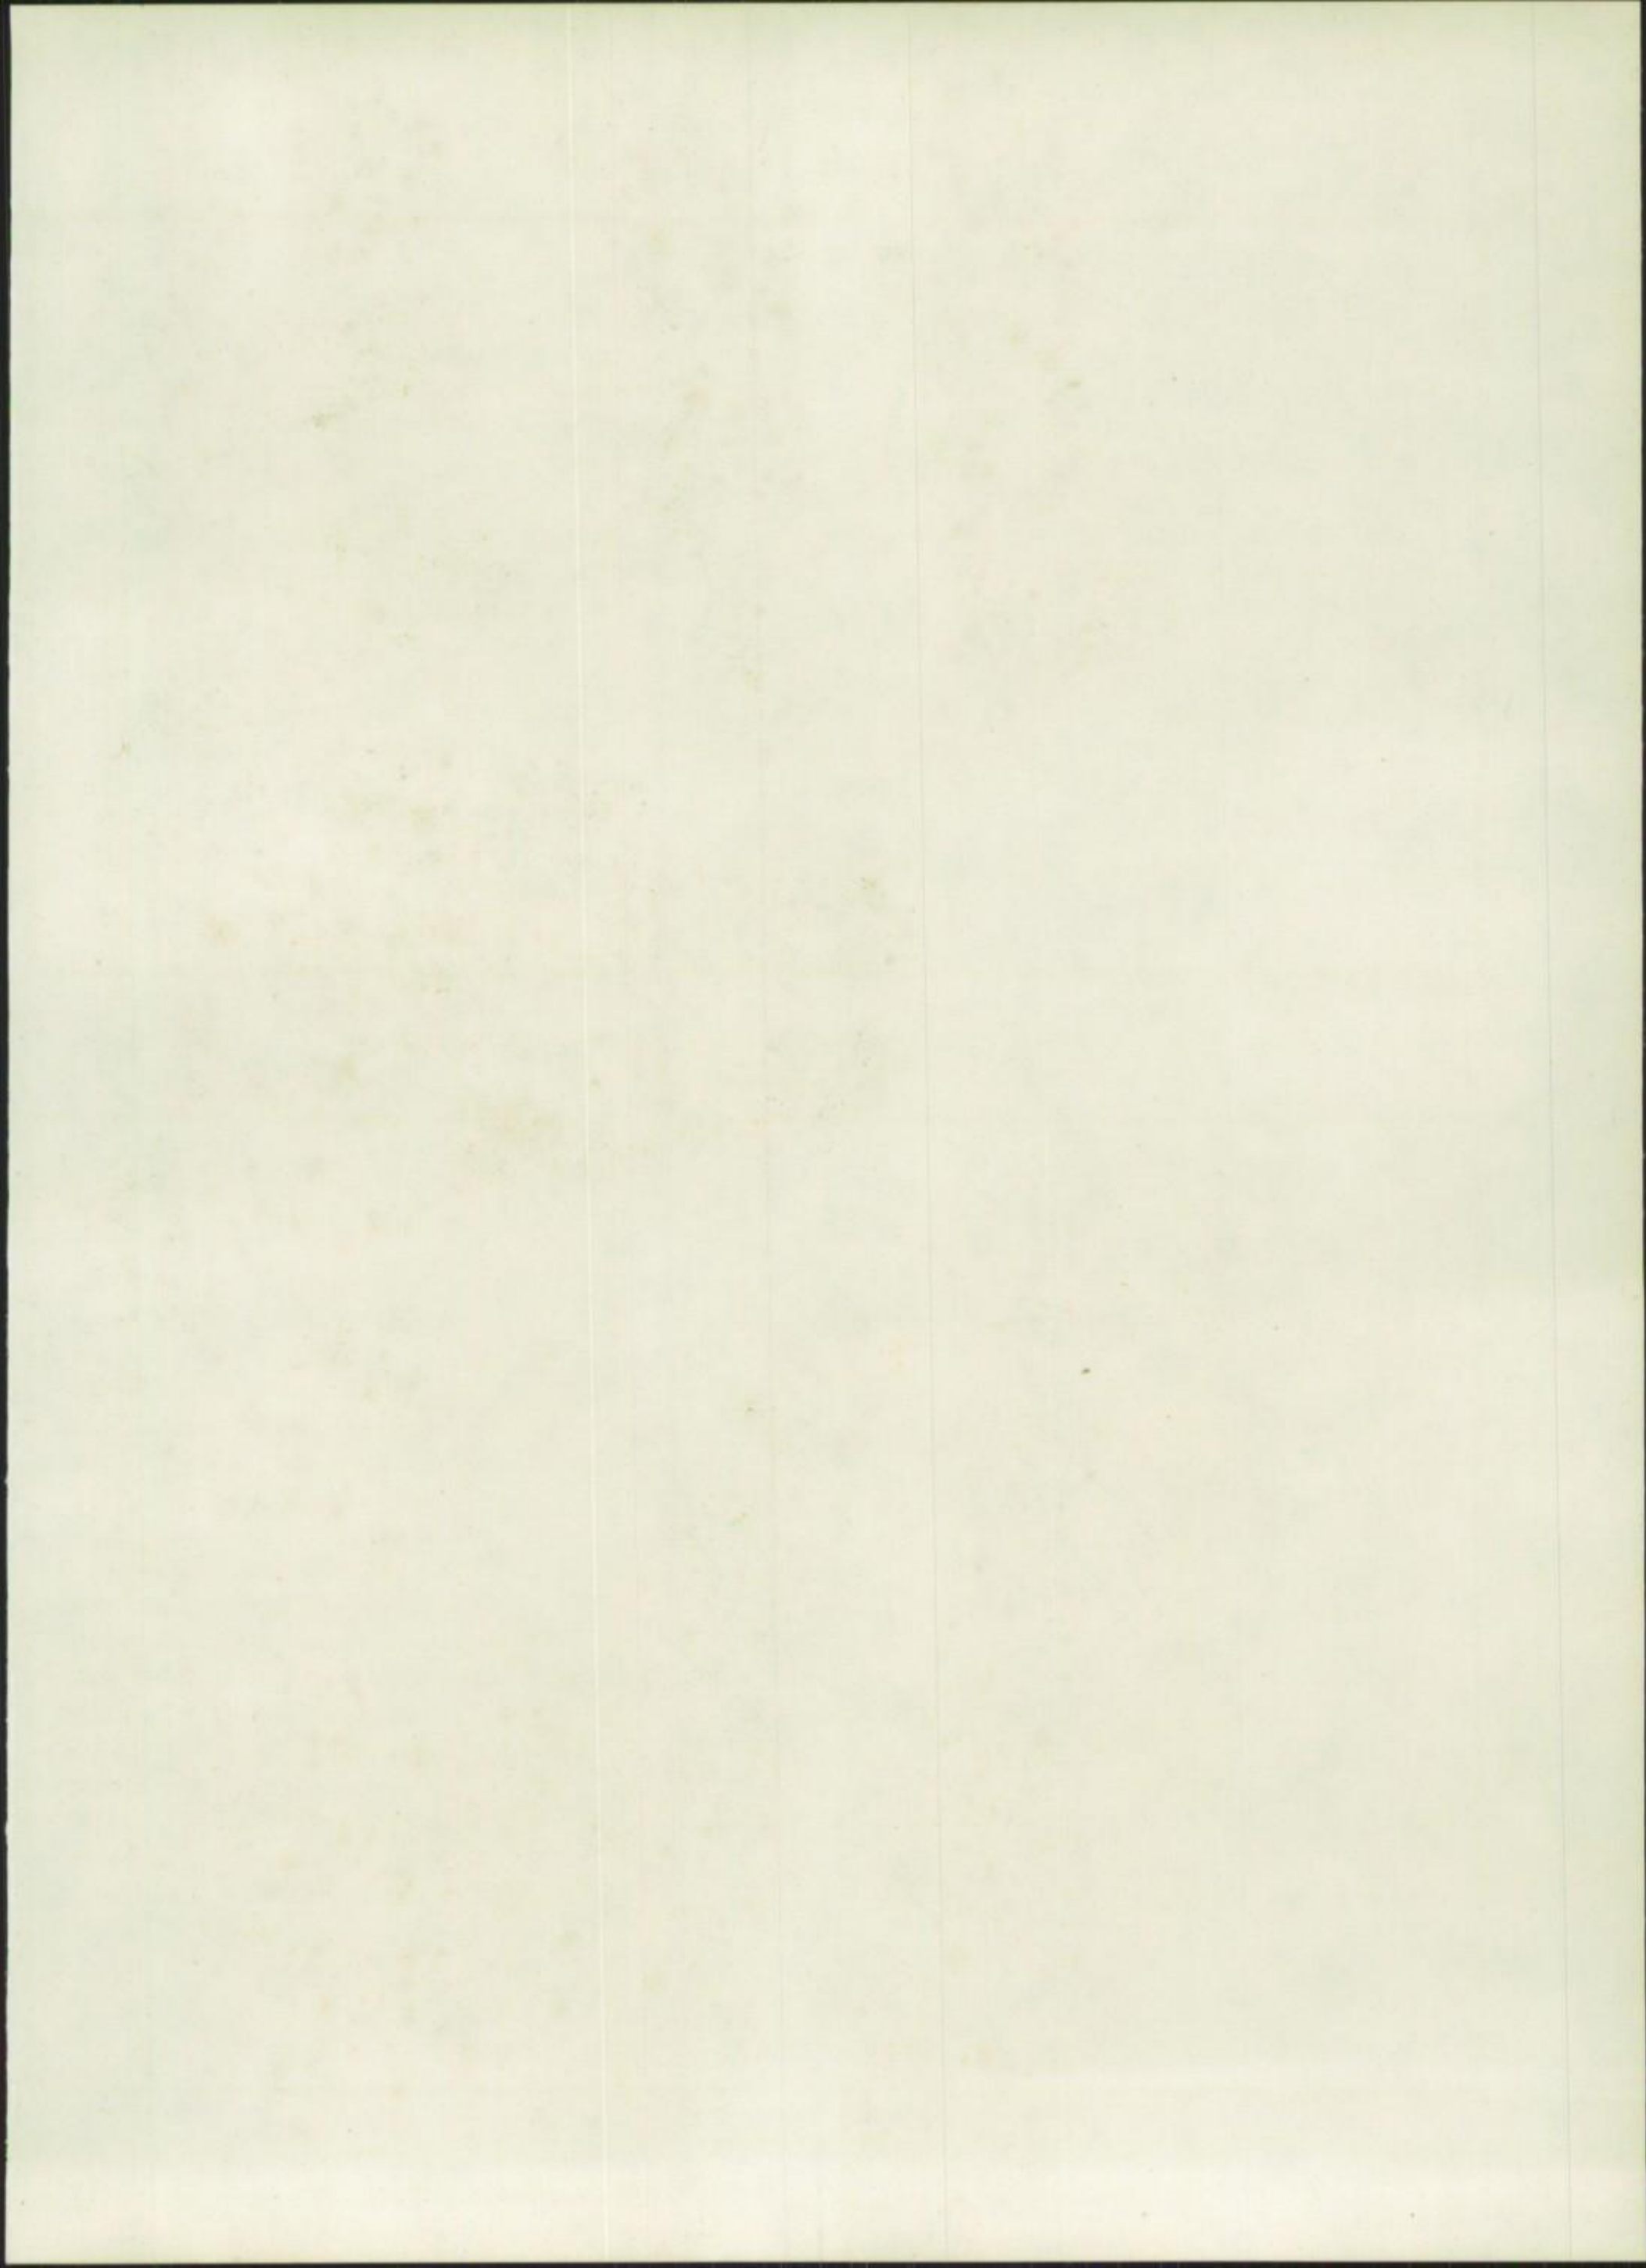

Even our class has changed. As freshmen, we struggled to get by. By the time we reached our senior year, we had molded ourselves into a team, a team which was able to get the job done, whenever called upon. It has been a great year, and I am very proud to be known as a Hillmen. Hopefully, this book will illustrate what it means to be a Hillmen and why it is that I am proud.
